Dr. Stephen Sundlof
FDA Center for Veterinary Medicine
1500 Rockville Pike '99 NRP 26 A956
Rockville, MD 20855

Dear Dr. Sundlof -

I am writing to urge the FDA to ban the use of growth promoting antibiotics in farm animals. The widespread use of antibiotics is creating the potential for dangerous drug-resistant bacteria to occur. Antibiotics are not necessary when farm animals are ~~treated~~ treated humanely and properly. Please do all you can to ban the use and abuse of antibiotics.

Thank you for your kind attention.

Sincerely yours,

Suzanne Wein Stein
